POLICY CONDITIONS

Report a loss promptly to Northmere Mutual Insurance with INS-007, location, date and circumstances.

Take safe, reasonable steps to limit further damage; keep evidence and receipts.

The insurer reviews the cause, terms and excess before deciding any claim.

Changes in occupancy or use must be reported; they do not alter cover without insurer agreement.

EXCLUSIONS AND CANCELLATION

Wear and tear, gradual deterioration and deliberate damage by the insured are not insured causes.

There is no automatic cover for a newly acquired second property.

Request cancellation from the insurer; any effective date and premium adjustment require its confirmation.

This is the complete simplified contract for this fictional calibration scenario; no real-world cover is provided.
